The CIC finalized a new 3-year business plan in 2020 focused on strategic initiatives, financial health, community awareness, and Governance of the organization.

Programming in 2020

The **Festival of Faiths** reached a broader audience with a virtual format and **nearly 3000 views**. The event inspired a broadcast program, **To Know Your Neighbor**, which **aired 3 times** on WFYI and is available on-demand, representing thousands more touchpoints.

CIC **engaged over 250 individuals in interfaith dialogue** via training, panel discussions, film screenings, and 1:1 conversations.

Interfaith Enrichment Corps members **served 12609 hours**

We are grateful for all the new connections made virtually in 2020!

Refined Mission Statement

The Center for Interfaith Cooperation provides safe environments, resources, and opportunities for service to increase religious literacy, build empathy between faiths, and facilitate interfaith encounters.

A robust interfaith network is critical to adapting to the new realities emerging from a global pandemic and to honestly confront social inequities that have persisted for far too long.
