## About IEC & CIC

IEC is an AmeriCorps program administered by the Center for Interfaith Cooperation, as a Sub-Grantee of Serve Indiana (a State Grantee of AmeriCorps). This program is available to all, without regard to race, color, national origin, disability, age, sex, political affiliations, or, in most cases, religion.

---

CIC was established in 2011 with a vision to create a community that pursues peace through interfaith understanding and cooperation. This is achieved by fulfilling their mission to provide safe environments, resources, and opportunities for service to increase religious literacy, build empathy between faiths, and facilitate interfaith encounters.
